

GRP Cabinets

Our range of cabinets are made and designed to suit your requirements which allows versatility in manufacturing bespoke customer driven products

Semi-gloss smooth gel coat or light textured exterior finishes are offered in a full range of BS4800 and RAL colours.

Our mission is to be the best manufacturer for our customers to work with and our goal is to build successful long term working relationships with our clients and suppliers, a correlation which will allow us to offer the most competitive prices

Should you have any requirements for bespoke GRP cabinets we would welcome the opportunity to offer you a quotation
