Captrad's young person shelters are designed to provide teenagers & children with a covered eating area in which to socialise.

Available in an array of different colours to appeal to the younger generation.

The shelters are manufactured from robust galvanized mild steel to provide a sturdy structure which is ideal for installing in parks and other areas where teenagers congregate.

All our shelters have the ability to be adapted to suit the customers requirements, whether you require a specific colour or logos and decals printed on them we can a solution for any application.

Captrad also produce Pram Shelters, Waiting Shelters and have the capabilities to produce bespoke designs thus catering for any situation
